Pre-Market Routine

Market khulne se pehle 10 minute, roz isi order mein. Taiyaar ho kar market mein aao, market ke baad nahi.

DATE _____

MERA ROUTINE TIME _____

AAJ TRADE KARUNGA? ☐ Haan ☐ Nahi

1 MIN — **Mann ki halat** MOOD CHECK

Neend kaisi thi? Gussa, tension ya jaldi to nahi? Khud ko 1 se 5 number do. Thaka ya pareshan ho to size chhota, ya aaj chhutti.

Mera number (1-5) _____ Kyun? _____

1 MIN — **Kal ka sabak** JOURNAL

Journal ki last entry aur is hafte ka ek sudhaar padho. Aaj wahi galti nahi.

2 MIN — **News aur events** CALENDAR

Aaj koi result, economic data, policy ya badi khabar? Kis time? Us time ke aas-paas naya trade nahi.

Aaj ke events + time _____

2 MIN — **Levels mark karo** CHART

Pichhle din ka high, low aur close. 2-3 zaroori support/resistance. Bas itna, 10 lines nahi.

Upar ke levels _____ Neeche ke levels _____

1 MIN — **Aaj ka plan** AGAR-TO

Kaunsa setup dhundh raha hoon? "Agar price ___ par ___ kare, to main ___." Plan ke bahar ka trade nahi.

Mera plan _____

1 MIN — **Risk numbers** LIMITS

Ye teen number likh kar trade shuru karo.

Risk per trade (₹) _____ Daily max loss (₹) _____ Max trades _____

1 MIN — **Rules padho** RULES

Apne likhe hue rules ek baar zor se padho. Khaas kar: SL broker mein, loss ke baad break, averaging down nahi.

1 MIN — **Dheemi saans** RESET

Aankhein band, dheere saans andar, dheere bahar. Ek minute. Phir screen kholo.

10 minute. Roz. Routine ka kaam profit nahi, saaf dimaag hai. Jis din routine skip ho, us din size chhota rakho.

Ideas ka base (apne shabdon mein): Brett Steenbarger (self-coaching, routine) · Tom Hougaard, *Best Loser Wins* (2022) (saans aur daily mental training).
